

## **Good Corporate Governance: How Canada's Competitive Advantage Can Work For You**

Rahul Bhardwaj, the President and CEO of the Institute of Corporate Directors (ICD), which represents Canada's directors from the corporate, NFP and Crown sectors will discuss Canada's corporate governance advantage. Referring to findings from the ICD's national Director Lens Survey, Mr. Bhardwaj will examine how investing in excellent governance, including greater board diversity, deeper understandings of innovation and technology, and better oversight of corporate culture, is Canada's best long-term strategy for growth and global competitiveness.
