

## Competition Bureau Unplugged

- When you come across marketplace behaviour that seems anti-competitive, do you know how to deal with it?
- What is anti-competitive behaviour in Canada, and how does the Competition Bureau take action to resolve it?
- When should you bring an issue to the Bureau as opposed to the CRTC?

We will discuss these questions, and plenty more, during a closed-door exclusive session for CNOOC Members. This session will take the form of a fireside chat, hosted by CNOOC President Matt Stein, with special guest Greg Lang, Major Case Director from the Competition Bureau. CNOOC Members will learn more about the Competition Bureau and how it functions, and be able to ask questions directly to a Bureau representative.

Please note that, to aid candour, this session will follow the [Chatham House Rules](#).
